# GLOBAL MANAGEMENT PROGRAM 2023

Interact with business experts and like-minded students from all around the world.

## Join the Global Management Program (GMP) in July 2023 **on-site in Tokyo, Japan**

Fast Retailing, group parent UNIQLO, is offering a unique opportunity for **motivated, high-achieving undergraduates** from all corners of the globe to come together.

### About GMP

GMP is a 5-day intensive program in which you are provided with a unique opportunity in having business sessions with industry specialists in order to know more about the fashion-retailing industry and Fast Retailing's business.

During the 5 days, you will have chances to improve leadership and project management skills through discussing with industry specialists and collaborating with international students to tackle and propose solutions toward global business issues.

### Learn How To

-  Develop an international vision and a desire to become global business leaders.
-  Ensure the business grow in partnership with society and social needs.
-  Interact with senior managers and tackle the latest business challenges.

Changing clothes.

Changing conventional wisdom.

Change the world.

## Who We're looking for

- Undergraduates all around the world
- Aspire to be global business leaders
- Possess leadership and teamwork skills
- Desire to work in a multicultural environment
- Who are fluent in English
- Available to attend the whole 5-day program

## What's in it for You

- Gain deeper insights into the retailing industry
- Improve leadership & teamwork skills in multicultural settings
- Develop project management skills through actual projects
- Interact with group executives and experts in the industry
- Acquire mentorship from local senior managers during GMP
- Opportunities to engage in Fast Retailing's future recruitment
